We are the nation's leading healthcare performance improvement company.

Dear Valued Partner, we invite you to engage your brand with healthcare's most sought-after executive audience. As the nation's leading healthcare performance improvement company, Vizient serves more than half of the healthcare organizations in the United States.

Healthcare executives from a range of disciplines and Vizient's supply chain partners network converge annually at the Vizient Connections Summit. This premier event is dedicated to connecting thought leaders across the healthcare continuum – creating a destination event like no other.

Join us this September at the Wynn Las Vegas as we celebrate reflection; the cornerstone of growth and development, allowing us to learn from past experiences, clarify our goals, and chart a course for the future.

In our industry, where the stakes are high and the challenges complex, the ability to reflect critically is paramount. By examining our practices, policies, and approaches, we can identify areas for improvement and innovation, ultimately enhancing patient outcomes and driving positive change.
